Persons with Disabilities Policy

Goodwin College is committed to the goal of achieving equal educational opportunity for individuals with disabilities and actively seeks to develop and maintain reasonable accommodations for all students. Persons with disabilities are encouraged to apply for admission. With appropriate documentation, students may request reasonable accommodations through the Student Services Center.

Goodwin College is accessible to people with disabilities. Accessible parking is located in the front of the school in designated areas. A ramp is located at the entrance of the college. All campus buildings have been built to handicapped specifications.

Disability Resources

The Disability Resources Office assists students with disabilities in securing accommodations and services that will promote success and integration into the College. Goodwin College complies with the mandates created by the Americans with Disabilities Act and Section 504 of the Rehabilitation Act. Students who have a documented disability are strongly encouraged to contact the Assistant Dean/Registrar in advance of their enrollment so that accommodations are in place on the first day of matriculation. The Assistant Dean/Registrar (located in the Academic Office) will provide specific guidelines and policies to students who request this information.
