

## I Feel Good About Goodwin!!

### What's new this year?

**Supporting student services** – that's what!

The **Student Support Services Fund is a new fund** that directs the passion and efforts of donors who wish to help grow our student support services programs. From student activities to additional resources for tutoring and the writing center, this initiative will help fund specific, identifiable, and much needed College projects, which will be reported back to you, the donor, throughout the year.

This year, you have the option of supporting a variety of great causes at the Foundation. Choose the one that fits your passions and interests!

### Are there still seats available?

Yes indeed! Your gift of **\$250 or more** entitles you to dedicate a seat in the Auditorium. The Development Office will contact you for your inscription, or you can go online to [www.goodwin.edu/takeyourseat.asp](http://www.goodwin.edu/takeyourseat.asp) and fill out the online form.
