### **4a. Approval of Budget for CTRA, ECMS and Senior Academy**

CTRA 2016-17 Budget:

- Lynn Guerriero presented the CTRA 2016-17 Budget
  - This year the State imposed caps on the number of magnet school students we could take. This has impacted both schools reaching full capacity and the budget.

- -. This year CTRA will graduate 83 students. State imposed a maximum head count of 463 students at CTRA. If no cap, CTRA would have been around 475
- Committee asked several questions. Merilee DeJohn -asked about increase in insurance liability. Lynn explained that in the past, the cost of the liability insurance was covered under the Goodwin College budget. It is now moved into the CTRA to reflect actual cost. This is also reflected in the increase in the - audit fees.
- Jackie Jacoby -asked about the budgeted amount for Professional Development - Lynn and Tara explained that more professional development will be performed by –in house staff instead of using outside consultants which are more costly.
- A question was raised on Education Consulting fees. CTRA uses CCAT for IT services because CTRA is Apple Based and Goodwin is not. CCAT has 2 full time staff members on sight to deal with all IT Services. They host the CTRA website and service and repair all Apple devices: laptops, smart boards, and provide remote help.

#### ECMS (Early Childhood Magnet School) 2016-17 Budget:

- Lynn Guerriero presented the ECMS 2016-17 Budget
  - Lynn explained that there are concerns that the State may not continue funding Pre-K programs currently in place. This is something we are watching closely.
  - The MSAP (Magnet Schools Assistance Program) Federal Grant is in its final year and some costs that were previously grant funded were absorbed into the budget.

#### Senior Academy 2016-17 Budget

- Lynn Guerriero presented the Senior Academy 2016-17 Budget
  - Alan Kramer explained: This program has a smaller budget. In this program, Goodwin brings high school students, who are not in magnet school, to Goodwin to take college classes. Student make up is 50 % Hartford students, the remainder is a mix of East Hartford, Vernon, Rocky Hill, and Wethersfield.
- Todd Andrews made a motion to approve Resolution GCMS 15-02 to approve the 2016-17 Connecticut River Academy Magnet School budget in the amount of \$7,234,959. Merilee DeJohn seconded the motion.

Discussion: The wording is to accept the budget based on the current head count. Should the State change the acceptable head count, we can adjust the CTRA budget up or down as needed.

Motion passed unanimously. (5-0)

- Todd Andrews made a motion to approve Resolution GCMS 15-03 to approve the 2016-17 Early Childhood Magnet School Budget in the amount of \$6,162,973. Merilee DeJohn seconded the motion. Motion passed unanimously. (5-0)

- The Board realized that the Resolutions were misnumbered and should have started with 16 instead of 15 to reflect the year, 2016. Mark Scheinberg made a motion to correct the numbering of Resolutions 15-02, 15-03, 15-04 to 16-02, 16-03 and 16-04 respectively. The motion was seconded by Todd Andrews. Motion passed unanimously.
