

ASSOCIATE DEGREE IN HOMELAND SECURITY

BUILD YOUR CAREER SAFEGUARDING AMERICANS

Our associate degree in Homeland Security program will prepare you for some of the most intensive and important careers in the nation. A Homeland Security degree will arm you with the skills you need to safeguard your friends and neighbors, and protect the safety, security, and freedoms of all Americans.

In these challenging times, leaders and heroes step forward to bring order to the chaos. Goodwin College educates such professionals — those who run towards the danger, who put the lives of others ahead of their own. By enrolling in our Homeland Security program you will be prepared to make a life-altering difference during times of need.

This program will prepare you to fill positions vital to national, military, corporate, and personal security — throughout the country and the world. Some careers include: Computer Security, Corrections, Custom and Border Protection, Cyber Crime Investigation, Emergency Management, Fire Science, and First Responder. To be successful in the field, you will learn critical thinking, interpersonal communication, and negotiation skills, etc.
