

The MSOL program can be completed in as few as 20 months part-time.

You will discover who you truly are as an individual and as a leader.

You will uncover strengths and break down barriers that have held you back in the past.

# Master's Degree in Organizational Leadership

## Discover and unleash your inner leader.

*A master's degree in Organizational Leadership from Goodwin University will help you explore new horizons and reach new heights. This program will take you to new places academically, personally, and professionally, and will put you on the path to becoming a visionary leader.*

Alongside your peers, you'll learn the secrets to becoming an effective and committed leader. We'll prepare you with the skills needed to make a positive impact in organizational culture, communication, and talent and performance management. Whether you're looking to advance your career into a leadership or managerial position or you want to acquire new skills to gain more responsibilities, this is the program for you. Your master's degree in Organizational Leadership can be your ticket to a better position.

### You are not alone in your journey.

We're completely invested in the success of our students. We'll help you uncover strengths you may not know you have and break down barriers that may have held you back in the past. Be prepared to be inspired! This is not a typical master's degree program, it's a life-changing experience.

### This is the flexible leadership program you've been looking for.

You can complete this program in as few as 20 months part-time. For added flexibility, you can take classes fully online or in a hybrid online/on-campus format, that combines online and face-to-face learning. Classes are offered in accelerated 7-week sessions with a 15-week capstone. Best of all, you can apply into the program at any time, start classes in the fall or spring, and study year-round.
