Bachelor of Science in Professional Studies

Finish what you started!

Transfer in up to 90 college credits, including credit for work experience, military training, and CLEP (College Level Examination Program), and turn your hard-earned credits into a bachelor's degree at Goodwin University.

Your bachelor's degree is closer than you think!

We've created the best way for you to complete your bachelor's degree — in as little as 12 months full time — in our customizable Professional Studies program. Unlike at other schools, you can complete your degree at Goodwin faster by leveraging more of the credits you've already earned. You can transfer in up to 90 college credits, and you will take your final college credits at Goodwin.

There are 16 fixed general education courses, with the remainder of the program consisting of open electives and flexible major core requirements designed to include courses you have already taken. You'll also have the option to pursue a minor consisting of 15 credits in a specific content area.

Take advantage of our flexible scheduling options

Classes are offered on-campus, online, and in a hybrid format. You can take courses part- or full-time for 7 or 15 weeks. With classes offered 7 days a week, we're sure we'll have the perfect classes for you. Classes begin 6 times per year, so we're ready to get started when you are.
