

APPLICATION FOR ADMISSION Histologic Science

**Application Deadline for Spring is October 31.
Application Deadline for Fall is May 31.**

Please complete this application in its entirety. Application must be signed and dated.

For admission into the program, all prerequisites must be completed or in progress at the time of application. If courses are in progress, acceptance will be conditional upon submission of an official transcript immediately upon completion. In order to meet requirements, prerequisite courses must be completed with a grade of "C" or higher. Satisfactory scores on the CLEP examinations are also acceptable in meeting these requirements. All requested documentation must accompany this application. Acceptable documentation is indicated for each prerequisite.

PREREQUISITE	DOCUMENTATION
High school graduation (or GED program certificate)	Copy of high school transcript. Upon acceptance, student must submit an official transcript for their record.
Placement test scores that qualify applicant for English 099 or proof of completion of college-level English 099 equivalent or higher.	Copy of college transcript or placement test. Upon acceptance, student must submit an official transcript for their record.
Completion of Math 125 or equivalent as determined by the Program Director.	Copy of college transcript. Upon acceptance, student must submit an official transcript for their record.
Chemistry - college level	Copy of college transcript. Upon acceptance, student must submit an official transcript for their record.
Human Biology or Anatomy and Physiology - college level	Copy of college transcript. Upon acceptance, student must submit an official transcript for their record.
Earn a minimum GPA of 2.7 in the most recent course work (college). College GPA is based on a minimum of 12 completed credits at Goodwin College credits.	Copy of high school or college transcript. Upon acceptance, students must submit an official transcript for their record.

Admission will also be based on the completion of an interview with the Histotechnician Program Director and the students' attestation that he/she possesses the ability to perform the tasks as stated in the Essential Functions of a Histotechnician.
