Inspire, influence, and impact others with your FNP degree.

Now is the time to pursue your passion and get enthusiastic about your education. Learn to master holistic practices that help you see the whole patient-care picture. Seek stability. Seek fulfillment. Seek a school that's flexible for you. Already have your BSN? Join the Goodwin family and apply to our Family Nurse Practitioner program today!

An Advanced Nursing Curriculum to Advance your Compassionate Career

In this program, you will be introduced to leadership theory, current nursing concepts, and professional practices. Study pathophysiology, pharmacology, as well as the policy and politics of healthcare. Learn about nursing research, physical assessment, advanced reasoning, and differential diagnosis. During Immersion Weekend I and II, you'll explore primary healthcare practices for adults (complex cases included), children, and women. You will also apply all you've learned in the classroom to a cumulative 600 hours of real-world clinical experiences to prepare

you for the workforce. Conclude the program by completing a Capstone project on clinical applications in population health.

Flexible, Online, and On-Call for your Future Career

In the Family Nurse Practitioner program, you'll still be able to enjoy your own family time. Customize your coursework at your convenience. Apart from Orientation, Immersion Weekend I and II, and clinical practice, our courses are offered entirely online.

Whether on-campus or online, either way, you're off to a family-focused future with all the open doors and opportunities that await.
