

# BACHELOR'S DEGREE IN MANAGEMENT AND LEADERSHIP

Marie Belletti, BS Management and Leadership Graduate

## **BECOMING A GREAT MANAGER AND LEADER**

Everyone recognizes great managers and leaders when they see them. Chances are they were not born that way; they learned and developed to be great over time.

In our bachelor's degree program for Management and Leadership, you will learn to manage innovation, change, and talent development. We will teach you interpersonal skills. Effective communication is the cornerstone of all successful relationships and something all employers are looking for in potential employees. This program has been designed to meet the needs of today's busy students. For added flexibility, students will take fully online in addition to hybrid (on-campus and online) 7 1/2 week Management and Leadership core courses .

Learn the skills organizations are seeking, including:

- ▶ Communication across multicultural perspectives
- ▶ Creative and ethical problem solving
- ▶ How to facilitate collaboration, conflict resolution, talent development, and teamwork
- ▶ Psychology of management and leadership
- ▶ Facilitate organizational change

You will become well versed in contemporary organizational theories and practices to make your integration into any organization more effective. These skills can lead to career opportunities in manufacturing, government, armed forces, law enforcement, education, corporate, for-profit, and nonprofit entities and retail.
