Prompt:

After watching the chosen video on occupational therapy, please answer the following three questions. Your submission must be typed and a **maximum of two pages**, 12 point font and double-spaced. All three questions must be answered in your own words in order to account of a complete application.

Question 1: In your own words, please explain what occupational therapy is and why you would like to become a future occupational therapy assistant.

Question 2: What part of the video was the most meaningful to you and why? In other words, which part of the video did you develop a connection with and why?

Question 3: How do you see yourself helping clients in the future as an occupational therapy assistant?
