

REQUEST FOR DECLARING A MINOR

Goodwin College offers those students pursuing a bachelor's degree an opportunity to choose a minor program of study to serve as a secondary area of interest that may extend a student's scope of study in a related field or balance their major through study in a completely different field.

Requirements: Minors are 15 credits; students may only earn one minor.

Completion of a minor requires that a student earn a C (2.0) grade or better in each of the required courses for that minor. No more than 9 credits may be used to meet both major/general education/concentration and minor course requirements. Students can substitute up to six credits with the permission of the Department Chair or the Program Director. A maximum of six transferring credits may be applied towards the minor.

Please choose ONLY ONE Minor below:
