

Transfer Articulation Agreement between  
Manchester Community College and Goodwin College

**AS in Early Childhood Education to BS in Child Study**

Manchester Community College and Goodwin College, recognizing that many students choose to begin their path to a baccalaureate degree at a community college, hereby enter into this Articulation Agreement for the purpose of facilitating the transfer of qualified Manchester Community College graduates to Goodwin College.

**Terms and Conditions**

The Manchester Community College-Goodwin College Articulation Agreement (hereafter referred to as the MCC-Goodwin Articulation Agreement) applies to students seeking to transfer from Manchester Community College's Associate of Science (A.S.) in Early Childhood Education degree program to Goodwin College's Bachelor of Science (B.S.) in Child Study degree program. Manchester Community College graduates will transfer into Goodwin College with third-year junior status on condition that they:

1. Graduate from Manchester Community College with an A.S. degree in Early Childhood Education;
2. Achieve an MCC cumulative grade point average (CGPA) of 2.0 or higher; and
3. Satisfy all Goodwin College admissions, financial aid, and transfer requirements.

**Transfer of Credits**

Manchester Community College students who apply to Goodwin College must submit official transcripts from all previous collegiate institutions. Upon the student's matriculation at Goodwin College, Goodwin will accept up to seventy-nine (79) credits in transfer for courses that were completed in satisfaction of the Manchester Community College A.S. degree in Early Childhood Education. Goodwin College requires that all students complete twenty-five percent (25%) of their degree at Goodwin College, and the last twelve (12) credits must be taken at Goodwin College. Transfer credits will be applied toward equivalent requirements of the Bachelor in Child Study, with the understanding that:

1. Goodwin College will accept credits in transfer for courses with grades of 'C' or higher;
2. Goodwin College will accept transfer credits for courses with passing grades lower than a 'C' as elective credits only that cannot be used to satisfy core requirements for Goodwin's baccalaureate degree program;
3. Goodwin will conduct a formal transfer evaluation upon receipt of all official transcripts that reflect collegiate-level learning;

4. Transfer students will be governed by the Goodwin College catalog that is in place at the time of their matriculation into Goodwin College;
5. Transfer students must satisfy all general education and core degree requirements as stated in the Goodwin College catalog at the time of matriculation;
6. Courses will transfer according to the chart below. Where Manchester Community College offers two or more electives to satisfy a degree requirement for the A.S. in Early Childhood Education, recommendations have been made for courses that will meet the requirements for Goodwin College's B.S. in Child Study;
