

MASTER OF SCIENCE IN NURSING

Gladys Prouty, RN, MSN Student

As an RN, what you do matters! You make a difference in the lives of others every day. At Goodwin College, we share your passion for helping others. The quality of care you provide is already exceptional. Let us help you, help others — even more.

THIS IS THE FLEXIBLE MSN DEGREE YOU NEED.

We've designed our MSN program for busy working RNs like you, and you can complete your MSN degree in as few as 20 months part-time. For added flexibility, the coursework in our MSN program is designed to be completed fully online, so you can complete coursework on your own schedule.

YOUR MSN DEGREE CAN BE YOUR TICKET TO A BETTER POSITION.

In this program, you will gain knowledge in the core areas of Pathophysiology, Pharmacology, and Physical Assessment, and will expand your skillsets in research, healthcare-related policies and political implications, leadership, and communication, as well as skills related to population health vs. case management. You will be equipped to impact the present healthcare system, to focus on prevention as well as treatment, and to utilize available resources to their full potential. Credits earned in this degree will easily transfer into specialized MSN areas of practice or doctoral programs should you wish to continue your education.

CURRICULUM

Core Courses - 30 credits		
NUR 500	Theoretical Basis for Advanced Nursing Practice and Leadership	3

NUR 640	Healthcare Quality: Communication and Informatics	3
NUR 695	Clinical Applications in Population Health	3

Total Credits: 30

Unlike many other online MSN programs, we don't require GRE scores for admission. We know nurses work hard enough without having to take extra tests before they even get into the program. Students entering the program must be fully licensed RNs, and must already have a bachelor's degree.

GRADUATE APPLICANTS TO GOODWIN COLLEGE ARE REQUIRED TO:

- ▶ Complete a graduate application for admission.
- ▶ Pay a \$50 non-refundable application fee (waived for Goodwin College graduates).
- ▶ Submit an official transcript verifying receipt of a bachelor's degree from a regionally accredited institution with a cumulative GPA of at least 3.0.
 - Applicants with less than a 3.0 CGPA may be considered for conditional admittance into the program under certain circumstances.
- ▶ Provide a professional resume.
- ▶ Submit proof of immunizations (Measles, Mumps, Rubella, and Varicella).

ALL APPLICANTS TO THE MSN PROGRAM MUST:

- ▶ Provide a current, unencumbered RN license.
- ▶ Write a formal 800-1000-word personal statement of your nursing career goals.
- ▶ Have successfully completed a 3-credit college-level statistics **and** a higher level research course with an earned grade of 'C' or better.
- ▶ Provide evidence of two years working experience or the equivalent in the role of a registered nurse or waiver from MSN faculty admissions committee.
