

MASTER OF SCIENCE IN ORGANIZATIONAL LEADERSHIP

Become a leader that can guide your followers to reach goals and exceed expectations. Whether you are looking to advance in your career through a leadership or management position, or you just want to acquire new skills and gain more responsibility at work, with your Master of Science in Organizational Leadership (MSOL) degree from Goodwin College, you'll gain the knowledge and experience you need to take the next step in your career.

THIS IS THE FLEXIBLE MSOL PROGRAM YOU'VE BEEN LOOKING FOR.

At Goodwin, you can complete your MSOL degree in as few as 20 months part-time. You can take accelerated 7½-week classes online or in a hybrid format that combines online and face-to-face learning. Best of all, you can apply into the program at any time, start classes in the fall or spring, and study year-round.

YOUR MASTER OF SCIENCE IN ORGANIZATIONAL LEADERSHIP DEGREE CAN BE YOUR TICKET TO A BETTER POSITION.

You'll gain the knowledge to support the needs of today's complex organizations. You will develop collaborative problem-solving skills, understand performance management, learn the foundations of managing projects, and conduct quality data-gathering and analysis. Emphasis is placed on critical thinking and decision making, as well as inspirational leadership and performance management.
