

ASSOCIATE DEGREE IN NURSING

Christen Curtis, RN

A CAREER WITH MEANING

Goodwin College is home to one of Connecticut's largest nursing programs. The demand for registered nurses continues to grow. Now is the perfect time for you to begin your new career and make a difference in your life and the lives of others. Families and communities need you and your passion for serving others.

MILESTONE EDUCATION

Goodwin College offers you the ability to complete your associate degree Nursing core courses in as few as 18 months part-time.* Once you've passed the National Council Licensure Exam (NCLEX) and you're licensed as an RN, you may continue on to complete your bachelor's degree in Nursing. The RN-BSN curriculum can be completed part-time in 16 months or uniquely designed to meet your specific needs. For added flexibility, classes for your bachelor's degree in Nursing are offered completely online or in a hybrid format allowing you to complete your degree while working and managing life's other responsibilities.

Hundreds of our nursing graduates work in hospitals and health care centers throughout Connecticut. We regularly hear from employers how pleased they are to have Goodwin nurses joining their organization. A Goodwin nursing degree can open up a new world for you, one that includes career satisfaction, prestige, and a great sense of making a difference in the lives of others.

* Additional time is required to complete prerequisite courses.
