

Transfer Articulation Agreement between Tunxis Community College and Goodwin College

AS in Business Administration to BS in Business Administration

Tunxis Community College and Goodwin College, recognizing that many students choose to begin their path to a baccalaureate degree at a community college, hereby enter into this Articulation Agreement for the purpose of facilitating the transfer of qualified Tunxis Community College graduates to Goodwin College.

Terms and Conditions

The Tunxis Community College-Goodwin College Articulation Agreement (hereafter referred to as the TCC-Goodwin Articulation Agreement) applies to students seeking to transfer from Tunxis Community College's Associate of Science (A.S.) in Business Administration degree program to Goodwin College's Bachelor of Science (B.S.) in Business Administration degree program. Tunxis Community College graduates will transfer into Goodwin College with third-year junior status on condition that they:

1. Graduate from Tunxis Community College with an A.S. degree in Business Administration;
2. Achieve an TCC cumulative grade point average (CGPA) of 2.0 or higher; and
3. Satisfy all Goodwin College admissions, financial aid, and transfer requirements.

Transfer of Credits

Tunxis Community College students who apply to Goodwin College must submit official transcripts from all previous collegiate institutions. Upon the student's matriculation at Goodwin College, Goodwin will accept up to eighty-seven (87) credits in transfer for courses that were completed in satisfaction of the Tunxis Community College A.S. degree in Business Administration. Goodwin College requires that all students complete twenty-five percent (25%) of their degree at Goodwin College, and the last twelve (12) credits must be taken at Goodwin College. Transfer credits will be applied toward equivalent requirements of the B.S. in Business Administration, with the understanding that:

1. Goodwin College will accept credits in transfer for courses with grades of 'C' or higher;
2. Goodwin College will accept transfer credits for courses with passing grades lower than a 'C' as elective credits only that cannot be used to satisfy core requirements for Goodwin's baccalaureate degree program;
3. Goodwin will conduct a formal transfer evaluation upon receipt of all official transcripts that reflect collegiate-level learning;

4. Transfer students who have signed a letter of intent at Tunxis Community College indicating their desire to enroll at Goodwin College in the B.S. in Business Administration following the completion of their Associate degree in Business Administration will be governed by the curriculum and policies in the Goodwin College catalog in place at the time of their declaration so long as the students complete their Associate's degree within three years. All students who have not signed a letter of intent, or whose program at Tunxis extended beyond three years, will be governed by the Goodwin College catalog and curriculum in place at the time of their matriculation to Goodwin College; however, they will still be eligible for all applicable benefits outlined in this agreement.
5. Courses will transfer according to the chart below. Where Tunxis Community College offers two or more electives to satisfy a degree requirement for the A.S. in Business Administration, recommendations have been made for courses that will meet the requirements for Goodwin College's B.S. in Business Administration;
